

Northwest Family Services presents

Father-Son Program

For boys, ages 10 to 13, and their father or guardian

**Presented by William L. Toffler, MD, former Professor and
Director of Education Department of Family Medicine, OHSU**

This Christian adolescent development program will present:

- The changes of your son's growing body
- Changes girls experience, too
- Maturity is more than physical changes
- A respect for life at all stages
- The miracle of life
- Questions and answers

An evening snack will be served

Sunday, April 9, 2017 5 to 7 p.m.

Providence Portland Medical Center Social Room

4805 SE Glisan St.

Portland, OR 97213

Cost for this program is \$15 per program per family.

Pre-registration is required. Deadline Monday, April 3, 2017.
